Kid's Swim: The kid's swim is based on the distances above. The swim will be in the Marriott pool for ages 4-6 or the Coralville Community Aquatic Center for ages 7-14. Kids are allowed to use floatation devices as needed. [Coralville Aquatic Center](#) lifeguards and swim instructors will be present in the water to ensure safety. Coralville Aquatic Center lifeguards will remain around the perimeter of the pool throughout the swim.

All racers will be given age-group color coordinated swim caps to be worn in the swim area. This makes our racers very visible so they are swimming with the correct age group, as well as provides a safety feature in the pool.

Ages 7-14, 100 and 200 yd. distances will swim from the shallow end to the deep end, ending in the shallow again at the Coralville Aquatic Center. Ages 4-6 swimmers will swim 50 yds, one length of the Marriott pool from deep to shallow end.

Kid's Bike: The kid's bike course is on closed city roads and Coralville bike path. Safety is the number one concern. All bikers MUST wear bicycle helmets. Training wheels are acceptable. Please refrain from using scooters. [Trail's End Bike Triathlon](#) will be on hand for any bike related needs before or during the triathlon.
